Johnson Fiberglass/Bait is now part of "The Fish Net Company LLC".

After 38 years in the fiberglass hoop/bait business, Junior Johnson passed away on April 18, 2016. On May 13, 2016 The Fish Net Company LLC acquired Johnson Fiberglass/Bait.

The Fish Net Company LLC has also been in business over 35 years and is proud to have acquired Johnson Fiberglass/Bait. The equipment to make Power Bait will be moved to Jonesville, LA in the near future. We will try to build enough Power Bait in Cabot to carry us through the down time.

Fish Net carries a much broader range of fishing supplies than Johnson did, so we hope to be your one stop supplier for all your fishing supply needs. (Fish Net has actually been selling fiberglass hoops to Johnson for several years.)

The acquisition of Johnson Fiberglass/Bait has allowed us to add some quantity discounts to our Power Bait and cheese prices.
